Crayons in the funniest shapes!

# toys<sup>2</sup> doodle

The new way to draw and experiment with color through play.

**t2d** turns drawing into a free-play experience. Made from 100% natural beeswax, our crayons are shaped like dinosaurs, fish, or building blocks that children can draw with, stack, and collect.

## Purpose-driven values

### **TOXIN-FREE COMMITMENT (NATURAL WAX)**

Peace of mind for parents, safety for children.

### **TOY-LIKE ERGONOMICS, DRAWING CONTROL**

Block and figure shapes make gripping easier for ages 3 to 7, promoting fine motor skills.

### **WASHABLE AND RESIDUE-FREE**

Less stress for parents, more play for children.

### **VIBRANT COLORS AND BOLD STROKES**

Perfect for murals and free expression. Encourages the use of large surfaces.

### **MULTI-ENVIRONMENT PLAY!**

Water-resistant: thanks to natural wax, the pieces float and don't break down in water. Extends creative playtime during bath time.
