HELLO KITTY AND FRIENDS

Hello Kitty 3D Sticker Game!

It's Pochaco's birthday, and all their friends want to make it extra special.
Each player must complete 4 mini-missions: like baking a cake, decorating or picking out a gift to show how great of a friend they are.

On their turn, players roll the dice to move around the board and discover new surprises. Event cards bring unexpected twists that can help or challenge the missions. **The goal is to finish all the mini-missions in time, support each other, and celebrate an unforgettable birthday together.**
